

Laughin' & Learnin' Preschool

THE PROGRAM

Laughin' & Learnin' is a DCFS licensed educational preschool, in addition to an hourly drop off program. We are offering a flexibility that no other program does. Choose a set schedule of days and times you want to attend or take advantage of our drop in spaces if you need random day care. Laughin' & Learnin' offers a one room classroom with the consistency of one teacher and a low student/teacher ratio. The program is designed with an educational based set schedule, but is also just a fun program for kids to socialize and learn with other children their age.

There is no long term time or financial commitment required.
